### **Disclaimer**

*Following review it has been decided that, to better reflect its intended audience and to avoid confusion with the Acquisition Process, the Acquisition Community of Interest (COI) Deskbook is to be renamed the Integrated Project Team (IPT) COI Deskbook. This change is immediate; all references in the MODAF documentation to the Acquisition COI Deskbook should be interpreted as the Integrated Project Team COI Deskbook. This change will be reflected in the MODAF documentation at the next update.*
